## WAXING

For best results...

### Before

- Exfoliate
- Do not apply moisturiser or any other creams
- The areas to be waxed must be free of acne, skin rashes and broken skin

### After

- Never expose freshly waxed skin to direct sunlight
- Do not exfoliate directly after waxing
  - wait until the redness subsides

## SPRAY TANNING

For best results...

### Before

- Exfoliate
- Do not apply moisturiser or any other creams
- Do not apply deodorant
- Wear loose clothing to the appointment

### After

- Avoid vigorous activity until the first wash
- Rinse with warm water and pat dry
- Moisturise daily
- A spray tan does not protect your skin from sun burn – be sun smart!
